Dear Federation Member

Are you paying more tax than necessary?

More than 58% of Police Federation members appear to have been given the wrong tax code by HM Revenue & Customs (HMRC) in the last 4 years. It's caused them to pay too much tax, with many still paying too much right now!

Fortunately, if you are one of those that have paid too much tax, there's still time to get your money back off HMRC. However, few taxpayers know enough about the income tax rules to spot errors in their tax codes, or want to try and speak directly with HMRC. With this in mind, we're pleased to remind you that as a Federation member, you're entitled to receive a professional review of all you tax codes from the last 4 years from the UK's No. 1 tax code experts – The Tax Refund Company.

Checking you've got the right tax code is even more important this year as there are new tax allowances that if you are entitled to them, could see you losing £454 this year alone if you have the wrong code.

The main facts you need to know:

- **Your review is FREE if you do not get a tax refund**
- **For every £1 refunded, you keep 62p (minimum fee £38*)**
- **YOU keep 100% of any future savings you make from a new tax code**
- **Dog handlers in particular are frequently found to have paid too much tax**

This is your hard earned money. Why let HMRC keep it?

*if your refund is under £38, the minimum fee will be reduced to the same value as your refund so you have nothing more to pay.
